Achttax is a taxibus company that was established over 55 years ago. It has a quality label that is tested every year. This test contains the age and (cosmetic) state of the buses. Of course, the buses have an M.O.T. every year.

It also means that all drivers have an annual first-aid test and an extra education on all the developments at Achttax that year. Every driver has, besides of course a driving license, a "taxi card". This "taxi card" is achieved by passing an exam for both theory and a practical exam for taxi drivers.
